

KIT IN ACTION

Let us bring the thrill and excitement of horse racing indoors for you:

- ✓ Birthday Parties
- ✓ Company Functions
- ✓ Association Meetings
- ✓ Reunions
- ✓ Bar & Bat Mitzvahs
- ✓ Fund-raisers

You have ordered your custom horse racing party kit and submitted **30 attendee names** who each will be assigned ownership of a horse. Please scroll down to see what happens next.

Before the event, you have watched the **host tutorial** video explaining how to easily set up the game, take bets and calculate the odds.

Then, to **kick off** the event, attendees watch a "pump you up" **intro video** with instructions about how to place a bet and what to do with the winnings.

Enjoy **5 races over an average of 2.5-3 hours** as you take bets at the betting windows, run each race and cash in the winners.

After the races, the video helps direct traffic flow to the betting windows.
